Property Tax Reduction Appeal?

Need to get the right figures to fight your property taxes? [Get your property tax reduction](#) by filing an appeal.

The tax authorities assume you are familiar with the Property Tax Appeal Process. The truth is most are not.

In the minds of the tax authorities, the homeowner is supposed to be familiar with his property value and it is "assumed" that homeowners will protect themselves by using the appeal process.

They send you figures that you assume are fair *however* **Inaccuracies are estimated in the range of 40% to 60%!**

The fact is ... appeals rarely happen. Less than 2% appeal their property taxes. The only insurance you have is by understanding and appealing errors and misjudgments
